ATTENTION: Senior Pastor, Youth Pastor, School Administrator, School Principal

We at SSACS are already working toward the 2023 SSACS Bible & Fine Arts Competitions, and we would like to introduce you to a new concept for this year's Bible competition. Enclosed is a Promotional Flyer and Registration Form for your church and school to review.

Last year, the Bible Competition was reduced in student participation due to Covid and various reasons; however, this Bible competition with an emphasis on teaching and preaching God's Word is very important to your mission and could be increased. I have been praying about a new concept that could increase student participation, and ask for your prayer, consideration, and participation.

To give opportunity for participation from more young people, we would be opening the Bible Preaching and Bible Teaching competition to 9th-12th grade students of non-member schools as well as to churches of like-faith and practice. This exposure for these young people will: 1) Encourage students to participate that would otherwise not have this opportunity; 2) increase participation in a very important area of competition; 3) provide a wider fellowship around the teaching and preaching of God's Word; 4) and the area of Bible competition will be helped overall. This would require commitment from sponsors in every ministry to work with their designated students; however, the reward would be great along with the eternal value instilled in each young person's life. Let's expose them to this opportunity, and God could use this to lead young people into a wider service for Him.

The winners would be awarded 1st, 2nd, 3rd place in each category; however, the winners of only member schools would qualify them to go to the National Competition. Bible Quizzing would be included as a Tournament. This will help build teams and encourage their continued participation.

The goal would be to increase participation and to allow more students this opportunity of preaching, teaching, and quizzing by using the resource of competition. Participation in the other areas of Fine Arts will not be open to non-member schools, homeschools, or churches. This will be exclusive to the area of Bible.

If you have any questions, or need more information, please email me and I will be glad to assist.

Sincerely,

Dr. John C. Van Delinder, Ph. D.
